

THE NEW TARIFF BILL.

CHAMBER OF COMMERCE.

ACTION WITH REGARD TO THE "TARIFF BILL."
MEMBERS OF THE AGREEABLE IT IS OF THE CHAMBER
LAST THIRTY DAYS SHOULD BE MISTURNED—
THE REPORT ON THE COASTING AND LAKE TRADE—
COMMITTEE DIVIDED, ETC.

The regular monthly meeting of the Chamber of Commerce took place yesterday afternoon, at their rooms, corner of Wall and Cedar streets, Peletiah Pratt, Esq., President, in the chair.

There was an unusually full attendance of the members.

One minute of the previous meeting having been read, Messrs. Ezra R. George and Charles E. Hilt were chosen members of the Board, and Mr. William Cottell was chosen a member of the Board of Arbitrators.

The member reported that fifty copies of a report of the Board of Trade of Philadelphia, relative to columns iron, etc., had been sent to the Chamber. The matter was referred to the Committee on Columns at this point.

THE TARIFF BILL.

Mr. CRIVIER, on behalf of the Executive Committee, stated that they had met a few days ago to consider the Tariff bill, and had appointed a sub-committee to transmittal of memorandums to Congress against the passage of the bill. He then read the remonstrance, as follows:

THE REMONSTRANCE OF THE SENATE AND HOUSE OF REPRESENTATIVES, IN CONGRESS CONVENED—

The Chamber of Commerce of the State of New York respectfully represents to the Senate and House before the same, the following—

In the present critical state of our country, it is of great interest to commerce and every other branch of industry. It also involves the question of revenue to the government, a problem, and it sustains a complex system of special and various duties for the present and future.

A measure of such importance and so bold as to affect injuriously the commerce and the public revenue, it is especially to be abominated, but now before its final adoption, let us have a hearing.

Mr. CRIVIER, after a few remarks, moved that the Chamber be empowered to act at Albany on this matter.

THE POLITICAL MEETINGS IN THE CHAMBER.

Mr. MAYER rose to inquire whether the political meetings as having been held in the Chamber of Commerce or not.

He said, how it was, that he had received no notice of either of these meetings.

The President replied that the meetings had been kept secret, as the members who were members of the Chamber, but who had been in the use of the room, or for the purpose of communicating their present views to the country and to devise some means to bring about harmony.

Mr. LEWIS opposed the use of the room, at any time, for any political meetings, to give the members of any section of the country a means to give the details of any sections of meetings held against the Chamber.

Mr. LEWIS said that Mr. Dyer's remarks were preposterous, that committee which had gone up to Washington, as no obstacle should be put in the way of their meeting together officially when they returned to this city.

Mr. MAYER said all he wanted was a sufficient number of the President that it was a meeting of the Chamber.

Mr. LATHAM, after some remarks, seconded the motion.

Mr. LEWIS opposed it. If the Chamber was to have any influence in saving the Union, go at once with a resolution. Let him, let the Union to be our enough to save it.

Mr. CRIVIER, with a few remarks, seconded the motion.

Mr. LEWIS rose again. If the Chamber was to have any influence in saving the Union, go at once with a resolution. Let him, let the Union to be our enough to save it.
